Chapter 1 by Elena Lace

Write what storywars means to you!

—

Its a drug i'm an addict

before I start this poem,

I just wanna apologize because i'm gonna sound melodramatic

Life was hard enough without it,

but now its here and I can't bare to be without it

But maybe its not exactly Storywars I can't live without

but maybe just writing

see ever since this website its been igniting.

A flame that can be stopped.

my writing mediocre but plenty

what to do with it don't know

no feelings spared, I submit without a care.

Oh, how brilliantly some of them can write

Its gate to creation its bright light burning my eyes.

But again maybe that's what Storywars is,

light to cleanse my soul with story and hymn.

Anyway i'm signing off, reality calls

There's more I need to add to this, much more to be expressed

I'll be back tomorrow night with more questions that have been suppressed .

Chapter 2 by Cat4055 ✏

Story wars to me is,

Well, I can't write poems

So this isn't going to rhyme

It'll just look like one.

Story wars is

Something to keep me from doing homework

Something where I can make fun of things

Something that I can brag to friends about

Where I get story ideas

Where I can write whatever I want

Where I can do this to a poem and no one will judge!

Probably

Maybe

Well...

There are already users who openly express they hate me (I Hate Cat4055),

But I've just learned to deal with it

Because they can NEVER

Get me to stop

Making

Fun

Of

Things
